Compliance Evaluation Inspection Report

Findings

I, Sheila Burrus, Environmental Protection Agency, attempted to conduct an unannounced Compliance Evaluation Inspection at Greenwood Avenue located at 8849-8859 S. Greenwood, Chicago, Illinois 60619. Upon arriving at the installation at approximately 10:00 a.m. on June 23, 2009, I observed that Greenwood Avenue no longer exists. The windows were boarded up throughout the installation (Photographs 1 through 6). I attempted to enter the property but the door was locked. I went around to the back of the property which appeared to be the loading dock and noted an enclosed pad locked chain linked fence (Photographs 7 and 8). I also noted one cylinder, two 55-gallon drums which appeared to be filled with trash and one large container within the enclosed chain linked fence (Photographs 9 through 12). I went next door to a business called SCR Transportation, Incorporated located at 8801-8825 South Greenwood, Chicago, Illinois, and asked if anyone knew if Greenwood Avenue was still in business. I was told that Greenwood Avenue has been out of business for the past 4 years.
